

EVENT SERVICES®

Please fill out and email to: info@peakeventservices.com or your Event Rental Consultant

To help bring your event vision to life, we're now offering Virtual Event Consultations. During your Virtual Consultation, our Event Rental Consultants will work with you on selecting pieces that fit your style and budget, turn those selections into an event rental design board, show you how to use our board functionality on our website, and provide you with a quote for your event. To schedule a Virtual Event Consultation, submit your consultation request form directly to your event rental consultant or email info@peakeventservices.com and we'll get back to you with your scheduled date and time.
